STYLEFORM™

SECTIONAL RAISED PANEL DOORS

When exterior appearance is a primary consideration, choose a stylish, raised-panel door from our attractive StyleForm series. StyleForm doors, equipped with heavy-duty, commercial-grade hardware, offer the perfect combination of beauty and reliability.

StyleForm OPTIMA

Designed for peak performance, this rugged, two-sided steel door is the perfect combination of beauty, strength and thermal efficiency. Available in the widest variety of colors, this door features an authentic woodgrain texture and a clean interior appearance to meet any design scheme.

StyleForm OPTIMA, raised-panel, white, with square windows

Ruggedly designed to assure durable, long-lasting performance, StyleForm OPTIMA doors feature hot-dipped galvanized, rust-resistant steel with a baked-on finish.

Series MODEL	Max. Opening Width	Max. Opening Height	Construction	Surface Texture	Section Thickness	Endstyle Steel Thickness	Insulation (R-Value)	Thermal Break	Exterior Colors	Section Limited Warranty*
StyleForm OPTIMA (Commercial ShowCase)	18'	16'	Steel Sandwich	Carriage, Colonial, Ranch, Flush, Beadline (Woodgrain)	2"	18-Gauge	Polystyrene (10.25)	Yes	White, Almond, ClayTone, Brown, Frost White, Beige, Sepia, BronzeTone, AccuFinish® Cedar, Cherry, Oak or Walnut, ArmorFinish® White	10-years against rust-through & delamination

Cedar

Cherry

Oak

Walnut

White

Many StyleForm doors may be upgraded to AccuFinish® Cedar, Cherry, Oak, or Walnut, or ArmorFinish® White.

FrostWhite

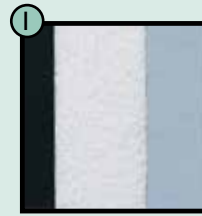

Sepia

Beige

StyleForm OPTIMA doors may be upgraded to Frost White, Sepia or Beige. These colors feature the Kynar™ paint process, which provides extended UV protection against fading.

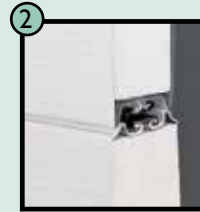

STYLEFORM OPTIMA

With its deeply embossed woodgrain texture, StyleForm OPTIMA adds curb appeal to any commercial building. And the two-sided steel design provides superior strength and added durability.

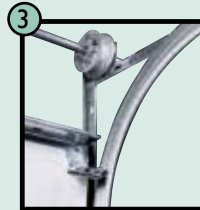

Insulation.

A core of polystyrene insulation is pressure-bonded between two steel skins for maximum energy savings and noise reduction.

Reduced airflow.

A vinyl section joint seal (A) prevents airflow between sections, while a mechanically interlocked vinyl thermal barrier (B) prevents heat loss and eliminates metal contact between hot and cold surfaces.

Rugged hardware and springs.

Your StyleForm door comes packaged with the right combination of commercial-grade hardware, track and springs to match your door's size and application.

Decreased Energy Costs.

StyleForm doors help you reduce energy costs with a U-shaped, vinyl bottom weatherseal.

Optional perimeter weatherseal.

Helps decrease energy costs and reduce air infiltration by sealing the top and sides of the door when closed.

Woodgrain exterior.

StyleForm OPTIMA doors feature an authentic woodgrain texture to complement any architectural style.

POWERHOIST™ & CONTROLHOIST™ OPERATORS

Raynor offers a full line of rugged ControlHoist and PowerHoist operators.

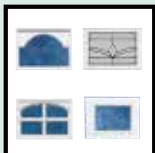

Trolley operators (top) are mounted overhead and suspended from the ceiling. Jackshaft operators (bottom) are side-mounted and attached to the wall. Manual chain operation is also available.

Control options.

A variety of control stations, photoelectric eyes and remote activation devices are available.

STYLEFORM OPTIONS

Choice of windows.

Choose from a variety of window styles, from clear glass to decorative leaded and beveled designs. Insulated glass is also available.

Counterbalance systems.

For reliable operation choose high-cycle torsion springs with 25,000, 50,000 or 100,000-cycle life or a weight counterbalance system.

Locks.

In applications where control and access are important, choose from a variety of locking options to help keep your building secure.

SINCE 1944

Depend On Professional Installation By Your Raynor Dealer

When you select Raynor, you're not just getting a superior commercial door, you're getting professional door installation and service expertise.

Every Raynor door is installed by an experienced Raynor professional. And that means added benefits for you. Because it's done right the first time, your door will deliver performance and reliability from the day it's installed. Your

technician will check your door for everything from safety to performance to appearance.

Trust your Raynor door to someone who knows it better than anyone else—your professional Raynor Dealer. We have over 800 authorized dealers serving North America and over 50 countries worldwide.

Raynor also offers a full line of rolling service, fire and traffic doors as well as security grilles and counter shutters. See your Raynor Dealer or visit www.raynor.com for more information.
